Student Entertainer Tapped for Soccer Anthems

Arranging a trumpet score for the recently released *Oklahoma Love Journey* CD was a good start for local entertainer and MHS junior Matthew Cowell. Matt sings at Yukon's Methodist Church of the Good Shepherd in the youth band, Oklahoma's all state choir and is making the state festival circuit this summer with the "Journey USA" troupe. He's also been tapped to perform the National Anthem for MHS soccer games this year.

"There is a line between amateur, or even semi-professional voices and the real thing," says Fred Imel, Matt's executive producer on the CD. "They are in our schools and churches, and if we are lucky, we get to hear them cut loose every now and then outside," said Imel.

If we are really lucky, Matt will be using both his voice and trumpet for "The Star Spangled Banner" this season.

Fred Imel is the executive producer of *Oklahoma Love Journey*, a 2 hr concert of love songs by Oklahoma's top church vocalists. He is also the author of Oklahoma's Film & Music Credit Act and CEO of Entertainment Investment Producers LLC in Yukon.
