Music Producer Calls for Oklahoma Voices

Kent Jones states time is running out for those to be recorded with Oklahoma's best church singers. "We're recording a popular music CD of Sunday's best church voices. The talent we have found so far is incredible. We want everyone to have a chance."

There is still time to get an audition tape in. "The cutoff is November 30th," Kent says.

Audition forms are at www.kent-jones.com and should be returned to Kent Jones Productions LLC, Box 851957, Yukon, OK 73085-1957. Final selections will be offered a recording contract.

The CD will be released Valentines Day 2008.
